Dear Mr. Carbone:

I am writing today requesting the U.S. Attorney's office open an investigation into a former employee of the Westchester County Board of Legislators, Anand Singh. Allegations surrounding Mr. Singh's soliciting an underage girl became apparent when a video surfaced on YouTube that shows Mr. Singh contacted what he believed was an underage girl.

This incident occurred physically in New Jersey, though it would stand to reason that all text messages and phone calls were made from Westchester County, New York. Therefore, given the interstate realities of this alleged incident the FBI is the proper investigatory body to look into the alleged sex crimes.

Please reach out to me at 914-995-2812 or [cxb9@westchestergov.com](mailto:cxb9@westchestergov.com) if you have any questions. Thank you for your attention to this matter.

Very truly yours,
