# Overview: Board of Elections

- The Board of Elections is New York State's government agent for the administration and execution of the State Election Law. Under New York State Election Law, the Board of Elections' goal is to facilitate the registration of every qualified voter in Westchester County. The Board executes the laws pertaining to designating and nominating petitions for public office and party positions and is required by New York State Election Law to assist with school board and village elections in Westchester County. The Department is required to operate under New York State Laws and State Codes, Rules and Regulations.

# Board of Elections: General Initiatives

- To produce lists, maps, poll books and all other information pertinent to election matters without relying upon vendors and other County departments whenever possible.
- To provide voters, candidates and the general public with information in a more precise fashion.
- To print poll books and supply lists for all elections held in Westchester County.
- To facilitate the translation of all materials that are required under NYS Election Law into Spanish language by in- house staff.
- To provide services to high schools, nursing homes, adult centers and community organizations for the purpose of registering potential new voters, or to explain the voting process and answer any election related questions.
