New Initiatives & Highlights

• **Patrol Division**

- Patrol officers enforce DWI laws, and STOP-DWI details (checkpoints and mobile patrols) enhance roadway safety and security by reducing the risks of accidents associated with DWI. In 2021, 202 DWI arrests made. As of the end of the 3rd quarter of 2022, there have been 167 DWI arrests.
- Speeding and distracted driving, specifically the use of hand-held cell phones and text messaging, are a major cause of motor vehicle accidents. In 2021, 6,568 moving violations were issued, 1,537 were for speeding and 277 were for using a cell phone while driving.
- The Patrol Division expanded it's School Resource Officers (SRO) program to cover a total of five (5) school districts & WCC. On the request of Katonah-Lewisboro SD, Hendrick Hudson SD, North Salem SD and WCC, four (4) new SROs have been added, bringing the total number of SROs to thirteen (13).

New Initiatives & Highlights

- **Real Time Crime Unit**

- Real Time Crime (RTC) opened in late 2017 to ensure crime data and criminal intelligence are brought to officers in the field. This Unit is proactive in the investigation of crimes in progress.
- Real Time Crime (RTC) coordinated numerous multi-agency investigations, including Operation "Casper" to identify, arrest persons who build and possess illegal handguns and Assault rifles. This joint operation resulted in the seizure of hundreds of illegal ghost guns.
- RTC implemented a new investigative initiative targeting high level drug traffickers, this new approach, in contrast to the older methods that targeted low-level users, led to the seizure of 450,000+ bags of fentanyl and 94 kilos of fentanyl packaged in bulk.
- Assisted with the investigation of numerous high-profile cases including homicides, sexual assaults, shootings, kidnapping and hate crimes.

New Initiatives & Highlights

- **Special Operations Division**

- Special Operations Division (SOD) provides air support to local agencies for crime suppression, suspect apprehension, scene support and lost/missing persons (Project Lifesaver).
- SOD provides primary maritime safety and security on Hudson River and part-time on Long Island Sound.
- SOD maintains the Emergency Service Unit that handles medical emergencies, emotionally disturbed persons, accident vehicle extrication, technical rescues, and scene support.
- The Special Response Team supports local municipalities with the handling of high-risk search warrant executions, barricaded suspect events and suspect searches and apprehensions.
- Hazardous Devices Unit (HDU) responds to calls for service that include suspected explosive devices, bomb threats, deteriorated explosive materials, fireworks, military ordnance, hazardous chemical, biological, radiological and nuclear material incidents.

New Initiatives & Highlights

- **Information Technology Unit**

- **New Records Management System**

Completed the process to implement the Hexagon Police Records Management System. This system will be deployed as a shared system used by multiple local police agencies. The system will allow for the sharing of information across police agencies to facilitate investigations.

- **Axon Camera System**

- Upgrading in-car & body camera equipment.
- Smaller hardware footprint will reduce installation costs.
- Support payments provide for the automatic upgrade of equipment as it reaches end of life.
