WESTCHESTER COUNTY
BOARD OF LEGISLATORS

COMMITTEE ON BUDGET & APPROPRIATIONS
CONCERNING THE 2017 COUNTY BUDGET (Additions)
December 5, 2016

Board of Legislators
County of Westchester
800 Michaelian Office Building
White Plains, New York 10601

Honorable Colleagues:

On October 14, 2016, County Executive Robert P. Astorino forwarded his proposed 2017 County Capital Budget and on November 10, 2016 he forwarded his proposed 2017 County Operating and Special Districts Budget to the Committee on Budget and Appropriations. The Budget & Appropriations Committee of this Honorable Board immediately began to analyze and discuss them.

Pursuant to Section 167.81 of the Laws of Westchester County as amended by Local Law 8-1994, your Committee on Budget & Appropriations, within a specified time period, has the authority to file with the Board a memorandum of any proposed additions to the Proposed Budget.

In keeping with Board policy, your Committee on Budget & Appropriations notes that any additions contained in this Memorandum, as well as any other item, may still subsequently be reduced or entirely deleted from the Proposed 2017 County Operating, Capital, and Special Districts Budget prior to their adoption.

As is its practice during the process of considering additions, your Committee on Budget & Appropriations has called on various County departments and agencies to testify.

It has also relied on the expertise of its auditors and has taken into account the views of all Legislators, the Citizens Budget Advisory Committee, numerous groups and organizations, individual citizens, and has held two of three Public Hearings. All of these perspectives have been factored into this Memorandum, ensuring that it is the product of government decision-making truly shared by all those affected.

Through its issuance of this Memorandum, your Committee on Budget & Appropriations hereby complies with the Westchester County Charter. While obviously it believes the actions contained within this Memorandum are prudent, that evaluation must ultimately be made by this Honorable Board. Likewise, the County tax rate can only be changed by a majority of this Honorable Board when it passes a budget and/or acts on a County Executive's veto (or vetoes) on specific, Charter-allowed items.

With these understandings, your Committee on Budget & Appropriations hereby recommends the following additions to this Honorable Board for its full deliberation and ultimate decision (see attached schedule):

Dated: December 5, 2016
