(Jenkins, Bronz) Move to opt into state legislation authorizing the Westchester County Clerk to increase the fees charged by the county clerk's office with respect to the Recording, Entering, Indexing and Endorsing a certificate of any instrument.

Eileen McCarthy of the County Clerks office gave an overview of the legislation. There will be an increase in the basic recording fee from \$5 to \$20 and an increase in the per page fee of \$3 to \$5. A three page deed will increase from \$120 to \$145. A fee for a thirty page mortgage will go from \$121 to \$200. The fiscal impact to the county will be \$2,550,000 of revenue in 2009.

Ms. Pasquale discussed some of the State Legislative cuts and its impact on the different aspects of the County budget. Given the cuts sustained by counties the State Legislature and the Governor allowed counties to gain some additional revenue by raising these fees.

Motion approved 4-1 (Oros Nay).
